

Homework

Your homework for this week is to skim through Proverbs to find all the uses of the word LORD and to consider the verses where it shows up. Did you do it? What verses did you find?

What did you learn?

The Pathway to Wisdom (Proverbs 2)

Proverbs 2 gives us a pathway to wisdom that has two stops along the way.

Read 2:1-8. Stop 1 is the **fear** of the **Lord**. What does it mean to fear the Lord?

What are the benefits of fearing the Lord?

Read 2:9-19. Stop 2 is living an **morally upright** life. What do you learn about the upright life from those verses?

True wisdom requires fearing God and walking uprightly. On Sunday, I shared some insights from the rest of the book of Proverbs on what it means to do those two things. For each of the following passages, share with the group what it is saying to you:

Proverbs 3:5-7

Proverbs 14:12

Proverbs 21:2

Proverbs 8:12-13

Proverbs 3:11-12

Proverbs 12:1

Proverbs 28:13-14

Proverbs 15:3, 8-11
